

III. REMARKS

Status of the Claims

Claims 4, 8-10, and 11 are amended and claims 13-16 are added. Claims 2-6 and 8-16 are presented for further consideration.

Responsive Remarks

According to the statement of allowable subject matter contained in the office action of September 24, 2008 and confirmed in the advisory action of December 17, 2007, Claims 4 and 10 have been rewritten in independent form including all of the limitations of the claims from which they were dependent. Claim 4 and claim 10 have been further amended to remove the reference to mobile communication device" from claim 4 and to remove the reference to "A mobile station" from claim 10 and its dependent claims. The amendments to claims 4 and 10 are supported in the specification in paragraph 0020 with reference to figure 1, where it is stated that the mobile termination part (MT) and the terminal equipment part (TE) are in different devices. New claims 13, 15, and 16 are supported in paragraph 0003. Claim 14 is fully supported throughout the specification in particular with reference to figures 3 and 5. No new matter is added. These amendments are required to insure that applicant obtains the protection to which it is entitled.

Applicant submits that the claims, as now presented conform, to the Examiner's Statement of Allowable Subject and, accordingly are in proper form for allowance. Accordingly, favorable consideration and allowance is respectfully requested. Should any unresolved issues

remain, the Examiner is invited to call Applicants' attorney at the telephone number indicated below.

The Commissioner is hereby authorized to charge payment of the RCE fee and for any other fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,
